SIXTY SOLAR POWER – The Visionary Hybrid

XQUISITE HYBRID is a 60’ power catamaran crafted by Xquisite Yachts. Featuring an advanced parallel hybrid propulsion system, solar energy integration, and silent cruising capabilities, she offers a standout luxury charter experience in the Bahamas for guests who prioritize eco-conscious innovation, comfort, and performance with a dedicated two-person crew.

The yacht accommodates up to 6 guests in 3 en-suite cabins, with separate accommodation for a dedicated 2-person crew to ensure exceptional service.

The full-beam master features a walkaround king-size bed and walk-in closet. The VIP and guest cabins each offer a king-size bed and private en-suite bathroom.

Panoramic salon views and a large electric window complement the expansive flybridge,

complete with a wet bar, grill and additional dining area.

Enjoy locally inspired dining tailored to guests’ dietary preferences, along with Starlink Wi-Fi, smart entertainment and a premium stereo system.

Relax on the foredeck or enjoy easy water access from the hydraulic swim platform, with hot/cold deck showers and an extensive selection of water toys.

- Parallel hybrid propulsion and integrated solar power
- Panoramic salon views and electric window
- 3 en-suite cabins with king-size beds
- Flybridge wet bar, grill and dining area
- Hydraulic swim platform and extensive water toys
