Safety, Comfort & Style

The **Bering 92 Papillon** is the ultimate explorer yacht, offering a level of luxury, comfort, and stability that is unmatched by any other yacht in its class.

With a gross tonnage of 183 GT, the Bering 92 Papillon is spacious enough to accommodate up to 10 guests and a crew of 4. The yacht's interior is designed with a classic elegance, with dark wood paneling, nautical blue and white accents, and a spacious owner's suite.

The Bering 92 Papillon is also equipped with two stabilization systems: a gyroscopic stabilization system and a hydraulic stabilization system. This combination of systems provides unparalleled stability in any weather conditions, making it the perfect yacht for long-range cruising without any seasickness.

The Bering 92 Papillon is powered by two Cummins QSM-11 engines, which provide a cruising speed of 9 knots. This cruising speed

allows the yacht to travel for extended periods of time without refueling, giving you the freedom to explore the most remote corners of the world.

With a range of over 3,500 nautical miles, the Bering 92 Papillon is the perfect yacht for an expedition to any destination.

The Bering 92 Papillon's steel hull is built to withstand the harshest conditions, making it the perfect yacht for exploring the most remote corners of the world. The yacht's stabilization systems ensure that guests can enjoy meals and activities on the deck even in rough seas, and its long range allows you to explore for days or even weeks at a time.

The Bering 92 Papillon is the ultimate explorer yacht, combining luxury, comfort, stability, and performance in a single vessel. If you are looking for a yacht that will allow you to experience the world in style, the Bering 92 Papillon is the perfect choice for you.

STEWARDESS

Nika Novakovska

Our stewardess Nika, a spirited and self-driven individual from Ireland, carries a profound background in hospitality. Her unwavering passion revolves around crafting extraordinary experiences, and she takes immense pride in ensuring guests enjoy a comfortable and relaxing environment. The instant she stepped onto a boat, Nika discovered her true calling.

Her commitment to the guest experience is paramount; Nika not only thrives on forging connections with people but also relishes the opportunity to exchange and weave stories.

Beyond her hospitality prowess, she harbors a profound interest and knowledge in health, sustaining an active lifestyle. Ever ready to share her wellness insights.

For Nika, it's not just a job but a dedication to weaving genuine and lasting memories for those who embark on the Papillon journey alongside her.

DECKHAND, ENGINEER

Dylan Hattingsh

Dylan Hattingsh, 23, is a dynamic deck/engineer hailing from the coastal beauty of Namibia. Growing up surrounded by the ocean, Dylan developed an unwavering love for maritime adventures and the intricate workings of vessels. His journey into the yachting industry was a natural progression of his innate passion for the sea and mechanical aspects.

Eager to broaden his horizons, Dylan has good experience, which equipped him with the technical prowess to tackle any challenge that comes his way. Through his relentless dedication, he quickly became known as the "fixer" aboard the superyacht, with an uncanny ability to troubleshoot and repair any mechanical or technical issues.

Dylan's warm and approachable nature has endeared him to the charter guests, who appreciate his genuine desire to ensure that their every need is met. Whether it's overseeing deck operations, fine-tuning the engines, or swiftly resolving unexpected malfunctions, Dylan's resourcefulness and expertise have consistently elevated the onboard experience.
