CAPTAIN

Adam Zeller

Meet Adam, a seasoned sailor and adventurer whose life has been shaped by the sea and the stories it tells. With over 50,000 nautical miles under his belt, Adam brings a wealth of experience, calm leadership, and a deep respect for the ocean to every charter.

Originally from the UK, Adam has backpacked across Europe, Africa, Asia, and the Americas, immersing himself in cultures and coastlines around the globe. Before stepping into the helm, he worked as a scuba instructor in Turkey, Egypt, and the Philippines, where his passion for marine life and conservation took root. Today, he continues to advocate for ocean health through storytelling and sustainable practices onboard.

Adam's sailing career spans transoceanic crossings of the Indian Ocean, South and North Atlantic, and extensive cruising throughout the Mediterranean, North Sea, and English Channel. He's captained a wide range of vessels - from classic monohulls to cutting-edge catamarans - and is known for his technical expertise, having worked as a delivery captain and technician for Xquisite Yachts in the Bahamas.

Whether guiding guests through turquoise waters or sharing tales from remote anchorages, Adam's calm demeanor and adventurous spirit create a relaxed, safe, and unforgettable experience. He's a natural teacher, happy to share sailing tips, snorkelling secrets, or the best spots for a beach picnic. His goal is simple: to help guests connect with the sea, unwind, and make memories that last a lifetime.
